I'm sorry, the list keeps growing. I now need ASAP:

- Any sub work plans or engineering specs

Approved copies are preferred if possible. Thank you in advance.

Thanks so much. I know Matt is probably swamped, but it would be really helpful if we could get the final or approved version soon. Talk with you soon.

Attached is a Draft Work Plan for Gold King. Please review and comment when you get a chance. The \$ estimate was provided previously, let me know if you want another copy. Elliott's schedule is the most current and will be inserted as the estimate referenced for Attachment B.
